**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer in a rural area. My local competitive provider is excellent and gives the best servicesboth telephone and broadband internet.

It is vitally important to my needs and the needs of our communities to keep local competing providers. Having only a few large providers reduces competition and supports an unfair monopoly which means the consumer loses due to price hikes.

Please consider this appeal,

Thank you,

Tamara Murrell
